### Our Services

As your insurance broker, we will provide the following services.

#### Pre-placement services

- Help you identify and assess your risks and develop a proposal to submit to potential insurer(s).
- Provide advice on risk mitigation and management strategies

#### Insurance placement and premium financing

- Seek insurance quotes (for more information see “Approaching the Market”).
- Negotiate policy coverage and policy renewal annually or as otherwise agreed.
- Seek to bind coverage where you have authorised us to do so, (except in urgent circumstances where unless you instruct otherwise, we may choose to bind insurance on your behalf if we consider that is in your best interests).
- Obtain and provide a quotation for premium financing (premium funding).

#### Post-placement services

- Prepare and manage claims if an insured event occurs.
- Advocate on your behalf during the claims process.
- Facilitate policy changes and/or cancellations as per your instructions.

### Approaching the market

We will seek quotes from the broader general insurance market before making a recommendation. We have arrangements with multiple insurers and underwriters, which enables us to find the right insurance product for you. In certain circumstances, we will not seek multiple quotations for you. Instead, and only where we believe it is appropriate for your needs, we may approach only one insurer.

### Continuity of Cover

It is important that you maintain continuity of cover. Accordingly, if a contract of insurance falls due and we are unable to contact you, we will automatically arrange for the policy to be held covered (or renewed if necessary). However there may be insurance contracts that we will need a proposal form or declaration completed by you and returned to us in order for renewal terms to be considered and offered by the insurer. If this is the case we will advise you in advance of the policy expiry. If you do not require the cover, we do ask that you tell us as soon as possible. A short-term premium may apply. Please tell us if you do not wish us to provide this service.

### **Remuneration**

In return for the services we provide we may receive a commission, usually between 5% and 26.5% of the premium paid (excluding relevant taxes, charges and levies) which is paid to us by the insurer, and a fee payable by you.

### **Policy Cancellation**

If cover is cancelled before the expiry of the period of insurance, and provided the relevant policy contains a cancellation clause allowing it, we will refund to you only the net return premium we receive from the insurer and not refund any part of the brokerage and / or fee we receive for arranging the cover. A separate fee may also be charged to process the cancellation.

### **Payment Terms**

You are required to pay the invoice amount to McLardy McShane within 14 days – as set out on our invoice.

### **Our advice to you**

When we provide you with advice about Retail Products, the advice may be general or personal, as defined below:
